“Developing and Using OER – a XU Perspective”

12pm in Library Resource Center, 601

Join us for firsthand accounts of the satisfactions and challenges along the road to developing and using OER for Xavier’s classrooms. Hear from Thomas Huckaba, Biology; Mark Gstohl, Theology, and Karen Nichols, Center for Continuing Studies & Distance Education share about their experiences and answer your questions.

Boxed lunch provided. Please RSVP to knichola@xula.edu by March 6.
